

Dear Customer

IMPORTANT INFORMATION – CONTRACT HARDWARE RIOT RELIEF IN PARTNERSHIP WITH DORMAKABA

We as business are aware of the devastation caused by recent protests in South Africa, notably in the provinces of Gauteng and Kwa-Zulu Natal.

Looting, property damage, and the loss of essential supplies have made existing difficult economic conditions even more challenging.

We're excited to announce the debut of our Riot Relief project, which will provide exceptional discounts on products and services.

- All product sales in the impacted area will be handled by our various branches along with our local partners.
- Our Contract Hardware service team will answer all service-related queries.

PLEASE NOTE: Exceptional discounts only apply to businesses that was affected by property damage and loss of essential supplies due to looting and riots.

Let us join forces to help businesses reopen, consumers get back on their feet, and South Africa stay productive!
